

Capabilities Statement

About BCR

Business Credit Reports, Inc. is the authority on small business credit information in the United States, Canada, and Internationally.

With unique licensing, BCR is the only credit report provider to offer blended multi-bureau business credit reports featuring trade data from Experian, Dun & Bradstreet, Equifax, FICO SBSS and others alongside simple pricing with no contracts, no annual fees, and no minimums.

BCR, an info tech company, also offers a full credit management solution with an online credit application, automatic decisioning, and monitoring alerts.

Since 1989, over 29,000+ customers have relied on BCR as a trusted and innovative leader in small business credit information.
